Par	t 4: Treatment of Fees and Priority Claims
4.1	General.
	Trustee's fees and all allowed priority claims, including Domestic Support Obligations other than those treated in Section 4.5, will be paid in full without postpetition interest.
4.2	Trustee's fees.
	Trustee's fees are governed by statute and may change during the course of the case. The trustee shall compute the trustee's percentage fees and publish the prevailing rates on the court's website for the prior five years. It is incumbent upon the debtor(s)' attorney or debtor (if pro se) and the trustee to monitor any change in the percentage fees to ensure that the plan is adequately funded.
4.3	Attorney's fees.
	Attorney's fees are payable to Seelinger Law Corp. In addition to a retainer of \$\frac{1000}{2}\$ (of which \$\frac{500}{2}\$ was payment to reimburse costs advanced and/or a no-look costs deposit) already paid by or on behalf of the debtor, the amount of \$\frac{4500}{2}\$ is to be paid at the rate of \$\frac{400}{2}\$ per month. Including any retainer paid, a total of \$\frac{5500}{2}\$ in fees and costs reimbursement has been approved by the court to date, based on a combination of the no-look fee and costs deposit and previously approved application(s) for compensation above the no-look fee. An additional \$\frac{4500}{2}\$ will be sought through a fee application to be filed and approved before an additional amount will be paid through the plan, and this plan contains sufficient funding to pay that additional amount, without diminishing the amounts required to be paid under this plan to holders of allowed unsecured claims.
	Check here if a no-look fee in the amount provided for in Local Bankruptcy Rule 9020-7(c) is being requested for services rendered to the debtor(s) through participation in the bankruptcy court's Loss Mitigation Program (do not include the no-look fee in the total amount of compensation requested, above).

7.1 Property of the estate shall not re-vest in the debtor(s) until the debtor(s) have completed all payments under the confirmed plan.

Part 8: General Principles Applicable to All Chapter 13 Plans

- 8.1 This is the voluntary chapter 13 reorganization plan of the debtor(s). The debtor(s) understand and agree(s) that the chapter 13 plan may be extended as necessary by the trustee (up to any period permitted by applicable law) to insure that the goals of the plan have been achieved. Notwithstanding any statement by the trustee's office concerning amounts needed to fund a plan, the adequacy of plan funding in order to meet the plan goals remains the sole responsibility of debtor(s) and debtor(s)' attorney. It shall be the responsibility of the debtor(s) and debtor(s)' attorney to monitor the plan to ensure that the plan remains adequately funded during its entire term.
- 8.2 Prior to the meeting of creditors, the debtor(s) shall comply with the tax return filing requirements of 11 U.S.C § 1308 and provide the trustee with documentation of such compliance by the time of the meeting. Debtor(s)' attorney or debtor(s) (if pro se) shall provide the trustee with the information needed for the trustee to comply with the requirements of 11 U.S.C. § 1302 as to the notification to be given to Domestic Support Obligation creditors, and debtor(s)' attorney or debtor(s) (if pro se) shall provide the trustee with the calculations relied upon to determine the debtor(s)' current monthly income and disposable income.
- 8.3 The debtor(s) shall have a duty to inform the trustee of any assets acquired while the chapter 13 case is pending, such as insurance proceeds, recovery on any lawsuit or claims for personal injury or property damage, lottery winnings, or inheritances. The debtor(s) must obtain prior court approval before entering into any postpetition financing or borrowing of any kind, and before selling any assets.
- 8.4 Unless otherwise stated in this plan or permitted by a court order, all claims or debts provided for by the plan to receive a distribution shall be paid by and through the trustee.
- 8.5 Percentage fees to the trustee are paid on receipts of plan payments at the rate fixed by the United States Trustee. The trustee has the discretion to adjust, interpret, and implement the distribution schedule to carry out the plan, provided that, to the extent the trustee seeks a material modification of this plan or its contemplated distribution schedule, the trustee must seek and obtain prior authorization of the court. The trustee shall follow this standard plan form sequence unless otherwise ordered by the court:

Level One: Unpaid filing fees.

Level Two: Secured claims and lease payments entitled to 11 U.S.C. § 1326(a)(1)(C) pre-confirmation adequate protection payments.

Level Three: Monthly ongoing mortgage payments, ongoing vehicle and lease payments, installments on professional fees, and

postpetition utility claims.

Level Four: Priority Domestic Support Obligations.

Level Five: Mortgage arrears, secured taxes, rental arrears, vehicle payment arrears.

Level Six: All remaining secured, priority and specially classified claims, and miscellaneous secured arrears.

Level Seven: Allowed nonpriority unsecured claims.

Level Eight: Untimely filed nonpriority unsecured claims for which an objection has not been filed.

- 8.6 As a condition to the debtor(s)' eligibility to receive a discharge upon successful completion of the plan, debtor(s)' attorney or debtor(s) (if pro se) shall file Local Bankruptcy Form 24 (Debtor's Certification of Discharge Eligibility) with the court within forty-five (45) days after making the final plan payment.
- 8.7 The provisions for payment to secured, priority, and specially classified unsecured creditors in this plan shall constitute claims in accordance with Bankruptcy Rule 3004. Proofs of claim by the trustee will not be required. In the absence of a contrary timely filed proof of claim, the amounts stated in the plan for each claim are controlling. The clerk shall be entitled to rely on the accuracy of the information contained in this plan with regard to each claim. Unless otherwise ordered by the court, if a secured, priority, or specially classified creditor timely files its own claim, then the creditor's claim shall govern, provided the debtor(s) and debtor(s)' attorney have been given notice and an opportunity to object. The trustee is authorized, without prior notice, to pay claims exceeding the amount provided in the plan by not more than \$250.
- 8.8 Any creditor whose secured claim is not modified by this plan and subsequent order of court shall retain its lien.
- 8.9 Any creditor whose secured claim is modified or whose lien is reduced by the plan shall retain its lien until the underlying debt is discharged under 11 U.S.C. § 1328 or until it has been paid the full amount to which it is entitled under applicable nonbankruptcy law, whichever occurs earlier. Upon payment in accordance with these terms and entry of a discharge order, the modified lien will terminate and be released. The creditor shall promptly cause all mortgages, liens, and security interests encumbering the collateral to be satisfied, discharged, and released.
- 8.10 The provisions of Sections 8.8 and 8.9 will also apply to allowed secured, priority, and specially classified unsecured claims filed after the bar date. LATE-FILED CLAIMS NOT PROPERLY SERVED ON THE TRUSTEE AND THE DEBTOR(S)' ATTORNEY OR DEBTOR(S) (IF PRO SE) WILL NOT BE PAID. The responsibility for reviewing the claims and objecting where appropriate is placed upon the debtor(s).
